

Security Council

Distr.
GENERAL

S/22986/Corr.1
11 September 1991

ORIGINAL: ENGLISH

NOTE BY THE SECRETARY-GENERAL

Enclosure

Corrigendum

Page 17, paragraph 4, should read:

Of the declared 27,000 kg of uranium in the form of uranium dioxide UO₂ declared on 7 July 1991 to have been imported from Brazil, 1,000 kg had been converted to uranium metal for what was stated as use in a heavy bullet production programme.
